Annual Report

Shinning Forward

Letter from the Executive Director **Dr. Samar Aziz**

Dear community members,

As I reflect on the past year, I am filled with an overwhelming sense of gratitude and appreciation for each of you who has contributed to our organization's mission.

This year, we faced many challenges as a community. Our families and friends faced fear, loss, rising costs, and shrinking access to care. Despite such challenges, I have also witnessed the collaboration and resiliency within our community to support our neighbors in need and make a lasting impact.

To our donors, your contributions have been the lifeline that sustains our programs and initiatives. Please know that your generosity has not gone unnoticed, and we are deeply thankful for your continued support in investing in a future where no one is left behind. Every donation, every volunteer hour, and every shared resource carried hope.

To our volunteers and staff, you are the heart and soul of our organization. From helping at events to dedicating countless hours to our programs, we could not do what we do without you. You became the reason families did not face hardship alone.

Together, we have accomplished so much, but there is still more to achieve. With your continued support, I am confident we will create an even greater impact, ensuring hope continues to grow for generations to come.

Thank you, from the bottom of my heart, for your commitment to our organization and the community we serve. Together, we shine forward.

With deepest gratitude,

A handwritten signature in black ink that reads "Dr. Samar Aziz". The signature is fluid and cursive.

Compassion Through Food

Families fed: **6,260**

Individuals: **25,040**

On average, over 500 families rely on Sabil USA's food pantry each month. Alongside our community partners who provide us with valuable in-kind donations, your financial contributions make the greatest impact. Your generous support directly purchases essential food supplies, such as halal meat, olive oil, flour, sugar, and dates.

Your generosity did not just fund programs; it changed daily realities. Parents prepared fresh meals instead of skipping dinners so that their children could eat first. More than **25,000** individuals received nutritious food when it mattered the most.

Food security is one of the most vital parts of a stable home, nurturing and supporting the growth of children's futures. We see this firsthand, as 40% of our food recipients are children under 18. **As federal funding cuts reduced the food supply from community partners, your donations filled the gap to keep food on the tables of the most vulnerable in our community.**

Where Wellness Becomes a Pathway to Hope

Sabil USA's mental health program offers a safe and supportive space for individuals facing many mental health challenges, including depression, anxiety, and trauma. **Our associate licensed therapists offer care in Urdu, English, and Arabic**, and provide culturally competent services and personalized care towards every client they meet.

Sabil USA aims to expand its mental health program over the coming year, with the goal of creating more programs and services that address the growing needs of our community.

In 2025, your generosity made **2,000 private therapy sessions** possible. These sessions are vital for communities that have no other source of mental health support and are often facing the pressures of managing life's challenges while supporting their family.

Your donation can make a difference, not only in the life of the individual receiving mental health support but also in the lives of their loved ones, ultimately impacting the well-being of an entire family.

Number of therapy sessions: **2,000**

A Home is the First Step Toward Stability

Sabil USA's rent assistance program supports individuals and families as they work toward economic stability, providing critical rent relief when they are faced with the impossible choice between food, medical bills, or shelter. As the cost of living continues to rise, this support is vital to ensuring the safety and security of our clients and community members, helping families remain housed, regain stability, and move forward with dignity.

By investing in rental assistance, we are investing in our community's future and fostering safe, stable environments where families can truly flourish.

In 2025, your support made it possible to distribute rent assistance to **4,080 individual**, preventing homelessness and providing stability when it was needed most.

Average number of people who received rental assistance:
4,080 individuals

Meet Noor: A Life Changed

Noor is a resilient mother to three young girls between the ages of 7 months and 6 years old. She survived years with her violent ex-husband before bravely escaping with her daughters to a shelter. One may not realize, however, that leaving is only the first step to independence and that Noor had a long journey ahead of her.

When her time ran out at the shelter, Noor was forced to live in her car with her young children, hoping her requests for assistance would be answered. One of our case managers heard about her situation and quickly took Noor and her daughters to a motel. Sabil USA covered her stay until she could move into another Domestic Violence shelter that provided stable housing for six months.

Finding employment was difficult for a mother with three young children, but Sabil USA connected Noor with families needing babysitters, allowing her to work while caring for her own children. Once employed, we helped Noor put a deposit on a rental, furnish the apartment, and provide new clothes so her family could settle into their new home.

With stable housing, Noor finally had space to breathe and focus on her education. She spent a year using our office as a quiet place to study for college classes. Today, Noor is a nurse assistant, raising three bright and beautiful daughters. We admire her sacrifices, resilience, and unwavering dedication and are honored to have supported her journey.

Noor's story is just one of hundreds of single mothers that need support every month. Your generosity is what allows us to help Noor and many like her as they raised their family and pursued their goals. You have been the backbone to the life changing assistance that Sabil provides, and you are the reason we can continue to do so for the future.

Day of Dignity

Made possible with Islamic Relief, our community partners, and your donations– together we served over **500 families with 50,000 lbs of food, school supplies, cleaning supplies, and clothing.**

Ramadan Mubarak!

*A special message of gratitude to Sabil for the tremendous service they provide to those in need.
May God grant our community - and especially, those who volunteer and serve the community -
all the blessings of Ramadan.*

*Sincerely, The Saleh-
Eletreby Family*

Ramadan Mubarak

Our Mission

The Majlis seeks to develop and nurture safe community spaces where people can learn and live Islam, based on the traditional sources of understanding the faith, while acknowledging the particular challenges of our context. Our efforts are focused around religious education, spiritual refinement, love, and service.

Our Programs

Programs are held at our Laguna Hills and San Diego locations, both in person and virtually. They include weekly classes, special events, ladies circle, children's programs, and a monthly food drive, Serving Our Nobles, held in partnership with Sabil USA.

How your gift changes lives

- **Sponsor a client's mental health.** Just \$5 a day—\$160 a month — helps someone get the care they need during life's most stressful moments. Your donation can strengthen relationships, aid PTSD recovery, rebuild self-esteem, and improve stress management.
- **Feed a family in need.** Just \$8 a day—\$250 a month—helps ensure a family of four receives fresh produce, meat, and healthy food they. Your donation can preserve dignity, and provide relief for a family trying to make ends meet.
- **Help Support Job Readiness.** About \$15 a day—\$450 a month —provides job readiness training, education, and essential materials. Your donation equips someone with practical skills, and the tools they need to pursue employment and long-term stability.
- **Help keep a family housed.** About \$80 a day—\$2,400 a month —helps provide housing for a family. Your donation helps break the cycle of poverty and gives the next generation the chance to grow up with safety, security, and hope.
